

## **David Deane - GDC Judicial application statement.**

I have lived in Arlington County since 1994 when I moved here to attend George Mason Law School. I have practiced in the Arlington County Court system since 2000 and during that time I have come to respect the bench and the practitioners of law that make the system run so well. I have more than 25 years of experience, the vast majority of which has been spent in the Arlington County courthouse. At this point in my career, I want to give back to that system and the County that has been my home for so long. I want to give every resident of the County an opportunity to be heard and to provide a fair, unbiased avenue to seek justice. I believe my combination of legal knowledge, patience, empathy and sense of humor would make me an excellent choice for General District Court Judge.
